

Letter of Recommendation for Workplace Office Furniture

To whom it may concern

Workplace Office Furniture (Workplace) has been supplying office furniture to our firm for over 12 years and we were delighted to award them the contract to furnish our new offices on Queens Road at the end of last year.

Our commitment to Workplace is based on their consistent quality of service, their reliability and the personal attention we receive which always encompasses sound advice based on their considerable experience and product portfolio.

From start to finish of the Queens Road project, Workplace promised and delivered on the following three key areas:

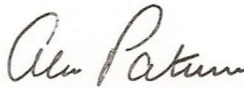

- 1) Quality of product
- 2) Quality of installation service
- 3) Quality of after sales service

In summary, we deal with Workplace and will continue to do so as we can trust them to deliver on their promises and provide us with the service we demand.

We would have no hesitation in recommending them to any other company that has a furniture supply requirement that needs to be underpinned by excellent pre and post sales service.

Finally, I would be happy to answer any questions you may have on our own project and happy for you to visit our office at 9 Queens Road if required.

With kind regards.
